

Hair style

《Read Aloud》

I wear my hair up on formal occasions, It makes me look older and more sophisticated. Also, you can never fail wearing black.

Let's talk about hair style

Are you always making the hairstyle like any?

Have you ever been boldly change your hairstyle ?

If yes, how did you change your hair style ?

If not, why didn't change boldly before ?

Why did you change your hair style that time ?

How often do you go to hair salon ?
